

# Sweden Canada Innovation Days

28TH OF SEPTEMBER 9.00 AM CST / 15.00 PM CET

**DIGITAL**

**In this Digital Green Transition Sweden Canada Innovation Days Meetup we will deep dive into how emerging tech such as AI and Data Analytics will be an enabler in the digital transformation towards a more sustainable industry. We will hear from startups, researchers, and technology frontiers with strong industry applications.**

Join our digital iHubs Meetup tour with interviews, live keynote speakers, presentations, and company visits showcasing the main takeaways from the Sweden Canada Innovation Days conference and the delegation program.

## LIVE SPEAKERS FROM

### VECTOR INSTITUTE

Vector Institute is an independent, not-for-profit corporation dedicated to research in the field of artificial intelligence (AI), excelling in machine and deep learning.

### CRIBE

CRIBE is an independent, not-for-profit research corporation that partners closely with other relevant organizations to provide support to direct and turn research results and innovative business opportunities into operational realities.

### BUSINESS SWEDEN

We are business developers with a unique mandate and we help Swedish companies grow global sales and international companies invest and expand in Sweden.
